Hiring Committee

Memorial Union
Oregon State University
Corvallis, OR 97331

Dear Anthony Bergeron-Burns,

I am writing to express my interest in the part-time Student Facilities/Maintenance Assistant position at the Memorial Union. As a current student at Oregon State University pursuing a Bachelor of Science in Computer Science with a minor in Innovation and Entrepreneurship, I am eager to contribute to the Memorial Union's mission of providing an inclusive and welcoming environment for the OSU community.

My experience as a Community Assistant at Orchard Court Family Housing has equipped me with valuable skills that align closely with the responsibilities of this role. In my current position, I have demonstrated a strong commitment to maintaining clean and safe environments for residents, including performing tasks such as cleaning and organizing community spaces, managing maintenance requests, and addressing emergency situations. These experiences have honed my ability to work independently and collaboratively, prioritize tasks effectively, and ensure a high standard of cleanliness and safety.

I have developed a keen attention to detail and a strong work ethic by performing tasks such as vacuuming, sweeping, mopping, and handling various cleaning duties, much like those required for the Student Facilities/Maintenance Assistant position. My ability to communicate effectively with students, faculty, and staff, combined with my experience in maintaining a welcoming and safe environment, makes me a strong candidate for this position.

I am particularly drawn to this role because it allows me to continue serving the OSU community while developing my skills in social responsibility and leadership. I am eager to bring my dedication, positive attitude, and willingness to work hard to the Memorial Union team.

Thank you for considering my application. I look forward to the possibility of contributing to the Memorial Union's continued success and positive impact on the OSU community.

Sincerely,
Mary Nansikombi.
